Letter From the Editors

Dear Class of 2016,

We made it! First of all, the three of us wanted to thank Mrs. Kinsman, our advisor, for all of the hard work and time that she put in to help us to create the yearbook. She was a great person to have supporting us and helping us when we would run to her room panicking when we didn't know how to do something. Thank you to all of the faculty and administration at Abington High School for being great teachers, mentors, and supporters. You have all shaped us into the adults that we have become through the education that you have provided for us. Thank you to Mrs. Crowley, who saw our faces in the library very often and always listened to us complaining about deadlines and hating technology because we typically had no idea what we were doing. We also wanted to thank Paul the janitor for being the best custodian around and just being an awesome person.

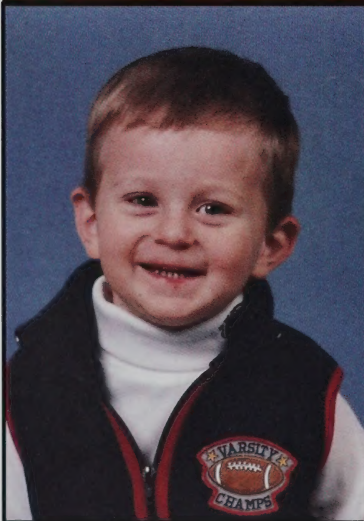

Thank you, to the Abington High School Class of 2016, for creating incredible memories ever since we have been playing on the playground at the ECC, up until now. In these past four years of high school, we have found success through sports, (remember those Super Bowls we won?) academics, (here's to all our smarty pants!) and had a lot of fun along the way. We have faced tragedies, and have been brought together as a class and as a community. The relationships that we have made with each other and with our teachers often helped us get through those long school days and made them more bearable. Treasure these memories, Class of 2016, because as we part ways with the people that we have grown up with, we should always remember where we come from. We all wish the best of luck to all of you in all that you pursue in life. Aim high for yourselves, for you can all achieve great things! See you at class reunions!

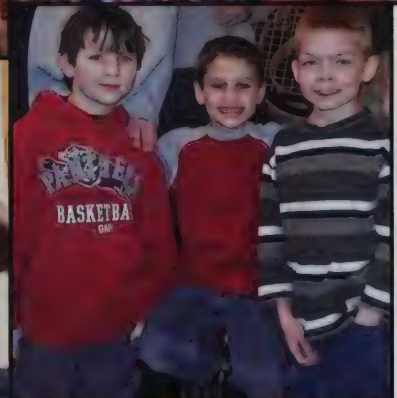

It's been real,
Alyssa Devlin
Charlotte Clark
Kathryn Clark

Our AHS...

Abington High School will always be a part of each one of us. High school is where we learned academically, socially, and grew as people. At Abington High school whether you had good memories or bad ones, everyone has to admit that we enjoyed at least a little of our experience here. The times that we've tripped up the stairs hoping no one saw, trying to sneak slushies out of the cafeteria and praying we didn't get caught, having that one class that we look forward to going to every day, and your friends that helped make things more bearable.

In November 2015, The Abington School Building Committee was granted the general construction contract for Abington's new Middle/High School and includes the construction of a new state-of-the-art and energy efficient pre-school, middle school (grades 5-8), and high school (grades 9-12), with two new synthetic turf fields and field lights.

Now as we watch the new school construction out on the back fields that we all grew up on, we have to realize that not only that our high school career is coming to an end, but the AHS we have come to know will be as well. The Class of 2016 is especially lucky because we get to be one of the last classes to graduate from AHS.

Class of 2016, when you're fifty something years old thinking about the good old days and feeling especially nostalgic, remember our AHS, the one we knew and grew up with. Remember the good times and the not so good times, remember that our AHS was home to some incredible memories. Cherish the memories of the old AHS Class of 2016, deep down you know you'll miss a little of it.

To The Class of 2016,

Each year as the yearbook staff works to complete the final edits to their book, I am reminded of how quickly the four years of your high school career have passed by. Since September, your editors have been hard at work to create a yearbook that captures the essence of your experience at Abington High School.

Alyssa Devlin, Kathryn Clark, and Charlotte Clark have dedicated countless hours to building a book that would contain a variety of events and experiences that shaped your time at AHS. Their thoughtful attention to detail would make any yearbook advisor proud. I hope that at some point you will take the time to thank them for all of the time and energy they dedicated to this task.

I hope that you will leave AHS with many happy memories. It was a pleasure to be your teacher and yearbook advisor. I wish you all much success on all of life's journeys.

Sincerely,

Mrs. Kinsman

Dear class of 2016,

It has been my pleasure to have been your class advisor for the past two years. Your senses of humor, dedication and overall respect have set your class apart from others. You have lead by example and have set high standards for your successors.

You have been given the skills to be successful in the next phase of your life, but it is now up to you on how your future will unfold. As entrepreneur Jimmy Iovine stated, "Your diploma does not represent the end of your education, but the beginning of your continuing education. Continue to listen and learn, with humility not hubris. Because that diploma you hold in your hands today is really just your learner's permit for the rest of the drive through life. Remember, you don't have to be smarter than the next person, all you have to do is be willing to work harder than the next person."

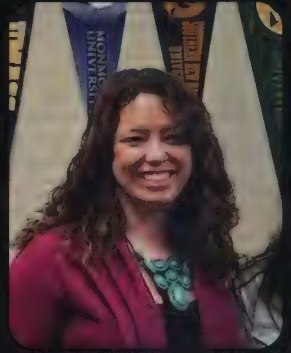

You will be missed.

Fondly,

Mrs. McGinness

Sports

Athletic Directors: Pete Serino and Kate Casey

Boys Soccer

"The boys soccer team went 5-11-2 this season. The team had a record number of 14 seniors this year, but leaves the team in the capable hands of the remaining underclassmen. The team was led by captains with strong leadership abilities that worked along with Mr. McGinness. The team had more talent than their record gives them credit for and the season was enjoyable nonetheless."

-Derek Gately

Varsity Coach: John McGinness

SENIORS: Derek Gately (Captain), Tyler Mariano (Captain), Tyler Moulton (Captain), Mike Porcello (Captain)

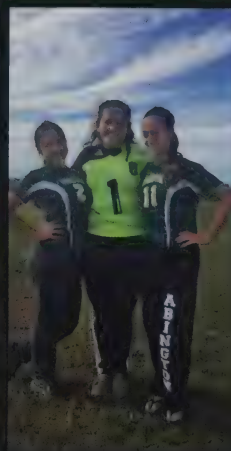

Girls Soccer

"The 2015 girls' soccer season was a season to remember. Led by head coach Kate Casey and assistant coach Lauren Marella, the girls made it into the MIAA League Tournament for the first time since 2012. Going into the tournament, the team had a winning record of 9-8-3. In the preliminary round, they challenged Pope John Paul II HS and took the win with a score of 2-1, but fell to East Bridgewater in the following tournament game. Along the way, the team made everlasting memories: pasta parties, running in the Jeff Coombs Memorial Road Race, team car wash, Think Taylor and Pink Games, Senior Night, playing leap frog at practice, making their own commercials, and just being part of the Green Wave soccer family."

Alexis LaPointe

Varsity Coach: Kate Casey

SENIORS: Amanda Beaver, Disha Bhavsar (Manager) Alyssa Devlin (Captain), Alexis LaPointe (Captain)

Cross Country

"The boys XC team this year was faced with obstacles all season long but remained mentally strong throughout the misfortunes. Every runner on this team was dedicated and hard-working. This young team had no seniors." -Mike Barry

"With only 6 members on the team, the girls had great successes from personal improvements every meet, to an invitational meet, to participating as a team in the state meet. From the 97 degree heat of the first meet (which didn't stop the girls from winning) to the freezing cold at the state meet, the girls always kept positive attitudes. The team had no seniors."

Danielle Panico

Varsity Coach: Brian Lanner

GIRLS CAPTAINS: Brianna Medeiros (Junior), Danielle Panico (Sophomore)
BOYS CAPTAINS: Sean Spencer (Junior)

Golf

"Although not the most illustrious of years in terms of success within the division with just 1 win on the year, the golf team was able to develop skills individually and as a group that will never be forgotten. Despite some difficult matches, the team remained competitive until the end and graceful in defeat. The team represents more than any other that it's not just about the win, but also enjoying the experience and learning from it. By keeping spirits high, the team was able to win the Sportsmanship Award, which they value greatly."

Brian Diver

Varsity Coach: Tim Hill

SENIORS: Anthony Chiavaroli, Brian Diver (Captain), Jason Polito (Captain)

Football

"The football team finished with a record of 7-4 and beat Greater New Bedford first round of the Division 5 playoffs before losing to the eventual State Finalists East Bridgewater. They started the season 7-1, and had a lot of ups and downs to this season, but injuries plagued the 2014 State Champions from fully reaching their potential. Although they did not make it as far in the playoffs as they hoped for, the team has many returning starters for next season.

-Nate Riordan

Varsity Coach: Jim Kelliher

SENIORS: Owen Leary, Javin Vincelette, Owen Kearney, Shane Sullivan, Jared Aprile, Christian Bermudez, Ryan Landers, Donnel Leon, Nate Riordan (Captain), Shawn Donovan (Captain), Ryan Paris (Captain), Dave Lyons (Captain), Brendan Glavin (Captain), Josh Martin (Junior Captain)

Cheerleading

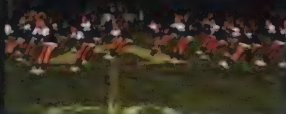

"The cheerleaders had a very successful fall season where they found a lot of success. The team adjusted very well to having a new coach, and got 1st place in their first two competitions. As the season went on, they placed 2nd at leagues and 3rd at regionals. The team placed in the top 5 in the state at the State Championship. The girls worked very hard, from cheering on the football team to competing each weekend."

Alanna Siegal

Varsity Coach: Alyssa McSharry

SENIORS: Alanna Siegal, Abbi Ricketson, Christina Antonetti, Emily Loring, Hailey Ezzell, Kailey Cardinal, Lauren Doherty

Boys Basketball

The boys' basketball team was one win away from qualifying for the MIAA State Tournament and was led by captains Tyler Mariano, Shawn Donovan and Nathaniel Riordan. The team showed heart and hustle all year, and other essential seniors to the team, included Dennis Cummins and Andrew Johnson. The most memorable moment of the season came when the team defeated Carver 53-52 on two free throws by Dennis Cummins with .6 seconds left.

Nate Riordan

Varsity Coach: Pete Serino

SENIORS: Dennis Cummins, Ryan Landers, Andrew Johnson, Derrick Hall Nate Riordan (Captain), Shawn Donovan (Captain), Tyler Mariano (Captain)

Girls Basketball

The Lady Wave basketball team had a very successful season! They were the only winter sports team to qualify for the MIAA tournament. The team finished the regular season with a 13-7 record, despite having a young team with only 3 seniors, and facing a very competitive schedule. Junior Captain Jenny Worden scored her 1,000th point during the season. The teams' season highlight was defeating Walpole in the Mansfield Tournament in overtime play. The girls defeated Apponequet 53-29 in the first round of the tournament, and then lost to undefeated Hanover in the quarterfinals to finish their season 14-8.*

Hanna Rogers

Varsity Coach: Steve Moore

SENIORS: Colleen Kearns, Jenn Feeney, Hanna Rogers (Captain)

Hockey

"While this season had its ups and downs, overall it was a fun and exciting year. The final record was not reflective of the effort this team put into the 2015-2016 season. From the 4 a.m. alarm on Monday mornings, all the way to the final buzzer of each game, this team never quit. The team made considerable progression from the beginning of the year. As Anthony Chiavaroli said: The team's record does not show the true talent of this years team; although it was not a great season, it will not take away from the memories we shared and the fun we had. I would not have liked to play my senior year with any other group of kids". The progress made this year has laid a solid foundation for next year and for years to come.

Bryan Danahy

Varsity Coach: Brian Smith

SENIORS: Bryan Danahy, Marcus Little, Mark Pizzi, Anthony Chiavaroli (Captain), Owen Leary (Captain), Jason Polito (Captain)

Winter Cheerleading

"The cheerleading team began the start of their winter season cheering the boys on at basketball games. They have high hopes for their season. They prepared a new routine with even harder tumbling and stunts from the fall. During their season besides cheering at basketball games and practices they made an impact on the youth program by setting up camps and so teaching the future of the Abington High School cheer program."

Alanna Siegal

Varsity Coach: Alyssa McSharry

SENIORS: Alanna Siegal, Abbi Ricketson, Christina Antonetti, Kailey Cardinal, Hailey Ezzell

Wrestling

The Abington/Rockland wrestling team had a very successful season with an undefeated South Shore League Championship. This team of hardworking, dedicated athletes was led by coach Tim Brown. This team had 5 athletes make it past sectionals and on to states.

Cameron Smith

Varsity Coach: Tim Brown

SENIORS: Jared Aprile and Christian Bermudez

"The Abington girls tennis team knows how to make sports fun. You can always see the team laughing, eating, singing, and just having a good time. Snacks are usually first priority. We have a hardworking group of girls that come into the program with little to no experience, and then are shaped into becoming worthy competitors. We always have a tough schedule, even playing girls that are nationally ranked (we lost that one). There is never a dull moment with this unique group of girls!"

Alyssa Devlin

Tennis

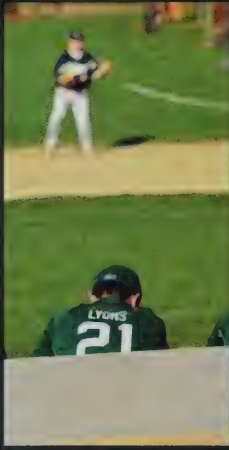

Varsity Coach: Jim Prizio

SENIORS: Alyssa Devlin (Captain), Taylor Johnson (Captain), Charlotte Clark, Amanda Beaver (Manager)

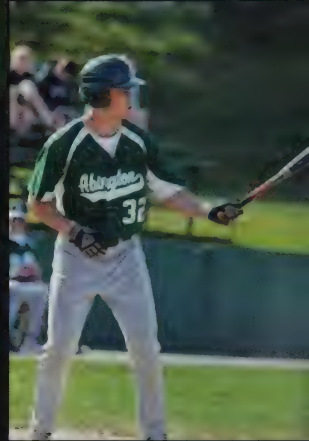

Baseball

Varsity Coach: Steve Perakslis

"The Abington Baseball team knows what it takes to win. After making it to the South Sectional Semi-Finals last year, the team expects nothing less. Abington High School's baseball team has only missed the tournament 1 time since 2002. With 3 returning players from last year's team, along with the multiple players who stepped up during tournament games last year, we have a lot of experience. They are primed and ready to have another great season. With the excellent coaching staff they are excited for what's to come"

-Dave Lyons

SENIORS: Mike Burgess, Carter Cristoforo, Ryan Landers, Shawn Donovan, Dennis Cummins, Andrew Johnson, Nate Riordan (Captain), Dave Lyons (Captain), Owen Leary (Captain)

Softball

"The softball team has earned the South Shore League championship title in all of my years here and even before that, with only this past season flawing our perfect record by sharing the title with East Bridgewater due to a tie. We make a decent run in the tournament each year, but this year we are hoping to go even further. Most of our starters are returning and those who aren't will be replaced by some very talented and eager younger players. We have learned from mistakes make in the past season and hope to reach our true potential in this upcoming season"

Katie Donovan

Varsity Coach: Ernie Ortega

SENIORS: Colleen Kearns, Hanna Rogers (Captain), Katie Donovan (Captain)

Boys Track and Field

"The boys track team has done great coming in the top 3 in the league the last two years. Many of our athletes have qualified for states in past years. We have 3 seniors this year, and also have two new assistant coaches to work alongside Coach Lanner and Coach Schlichting. This year the team hopes to well again. Track is life."

John Lalli

Varsity Coach: Brian Lanner

SENIORS: John Lalli (Captain), Alex Nacopoulos (Captain), Griffin Frye

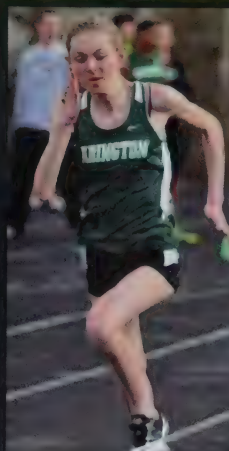

Girls Track and Field

In the past couple of years, the Abington High School Girls Track Team has achieved great success with multiple members of the team qualifying for the Division IV States Meet and breaking school records. Girls Lacrosse

Girls lacrosse hasn't always been about being the best and winning every game. Most of us came into high school knowing little to nothing about lacrosse, but it didn't stop anyone from playing. We put forth our best effort and have had some of the most fun seasons, becoming a family instead of only focusing on being on top. With each season we have worked hard and became better than before, and so we are constantly improving both on the field and as a family. The endless laughs and smiles at practices, on the bus, and during the trips to Dairy Queen are unforgettable.

Kailey Cardinal

Varsity Coach: Merideth McManus

SENIORS: Kailey Cardinal, Hailey Ezzell

Ultimate Frisbee

Varsity Coach: Jason Scott

"Ultimate Frisbee had a great season last year. We had a 17-3 regular season and a second place finish in the state tournament. This year we have high hopes to continue the winning record and make it to tournament again. Hopefully we can one up the second place finish from last year with help from many seniors playing their last year."

Greg Oreste

SENIORS: Mike Porcello (Captain), Greg Oreste (Captain), Danny Malone (Captain), Pat Callanan, Sean O'Keefe, Shane Sullivan, Joe Hankins, Christian Bermudez, Mike Billotte, Brian Diver, Chris Doucette, Jared Aprile

A Special Thanks to Mr. Bailey

The Class of 2016 would like to give a special thank you to Mr. Ed Bailey. Mr. Bailey helped play an active role in fundraisers for our class and many sports teams. Without Mr. Bailey's generous dedication to serving his community, events such as our prom would not be made possible. It is kindness and generosity like this that sets a positive example for the members of our community. We are so grateful for having him as a member of the town of Abington!

Thanks for everything

To our inspiring son, Derek,

How fast time flies. Just yesterday you were a headstrong little toddler, standing on a kitchen chair, sneaking popsicles out of the freezer, to give to all the neighborhood kids playing in our backyard. You had a big smile, big blue eyes, a friendly spirit and a charming giggle.

Fast forward to today and that list expands to include an amazingly positive attitude, a hilarious wit, a natural curiosity and intelligence. One thing that has never changed, though, is your kind heart. From acquaintances to friends to family members, young and old, you have a special way of touching our lives. You brighten up a room whenever you are in it. You make us all feel good, and we so very grateful to have you in our lives.

I recently saw a quote that reminded me of you: "Exceptional lives are created by beautiful hearts". You are already exceptional in so many ways, but it is honesty, integrity, generosity, humility and empathy for others that will make you the finest employee, husband and father someday. We are already so very proud of the fine son you are, and the man you have become. We cannot wait to watch your bright future unfold.

We love you to the moon and back.

Love,

Mom, Dad, Grammy, Danny and Dylan

Congratulations to
the Class of 2016!

From Mia Regazza

To the Class of 2016,

Congratulations!

Today is your day.
You're off to Great Places!
You're off and away!

You have brains in your head.
You have feet in your shoes
You can steer yourself
Any direction you choose.
You're on your own. And you know what you know.
And YOU are the guy who'll decide where to go.

You'll look up and down streets. Look 'em over with care.
About some you will say, "I don't choose to go there."
With your head full of brains and your shoes full of feet,
You're too smart to go down any not-so-good street.

And you may not find any
You'll want to go down.
In that case, of course,
You'll head straight out of town.

It's opener there
In the wide open air.

Out there things can happen
And frequently do
To people as brainy
And footsy as you.

And when things start to happen,
Don't worry. Don't stew.
Just go right along.
You'll start happening too.

OH!
THE PLACES YOU'LL GO!

You'll be on your way up!
You'll be seeing great sights!
You'll join the high fliers
Who soar to high heights.

You won't lag behind, because you'll have the speed.
You'll pass the whole gang and you'll soon take the lead.
Wherever you fly, you'll be the best of the best.
Wherever you go, you will top all the rest.

Except when you don't
Because, sometimes, you won't.

You'll get mixed up, of course,
As you already know.
You'll get mixed up
With many strange birds as you go.

So be sure when you step.
Step with care and great tact
And remember that Life's
A Great Balancing Act.
Just never forget to be dexterous and deft.
And never mix up your right foot with your left.

And will you succeed?
Yes! You will, indeed!
(98 and 3/4 percent guaranteed.)

KID, YOU'LL MOVE MOUNTAINS!

So...
Be your name Buxbaum or Bixby or Bray
Or Mordecai Ali Van Allen O'Shea,
You're off to Great Places!
Today is your day!
Your mountain is waiting.
So...get on your way!
